Chapters : Mansar Lake

Read The Following Key Points And Answer The Questions Below

Mansar Lake is situated at a distance of 62 Kms from the city of Jammu . it is surrounded by Hills that are rich in forests . The circumference of the lake is 04Kms . Mansar is a popular picnic spot in Jammu a part from being a holy site for the Hindus . The J&K tourism department has laid the lake with stones around it and developed path ways for the visitors who can also go for boating in the lake.

On the eastern bank of the lake there is a shrine of Sheshnag a mythological snake with six heads . There are some ancient temples on the banks of the lake which are visited by devotees . Uma pati, Mahadev, Narsima and Durga temples are situated near the lake .

Mansar has also gained popularity among tourists with its rich flora and fauna . there is a wild life sanctuary near the lake which is famous for spotted Deer , Neelgai, water birds such as Cranes and Ducks . The presence of seasonal birds , tortoise and different species of fish add to the beauty of the lake
